

**What went well:**

Planned everything out, how long it's going to take, and who is responsible for what issue.  
Keeping track of who is doing what and when they are doing it.

**What didn't go well:**

Need more specific times for meetings

**Specific things to improve:**

Plan meetings for standup (specific times and ways to communicate)

**Measurement criteria:**

- Create a loader for firebase
- Loader image with logo
- Registration button
- Order item
