

## Daily Scrum or Standup Meeting

Team name: \_Group 7\_\_\_\_\_

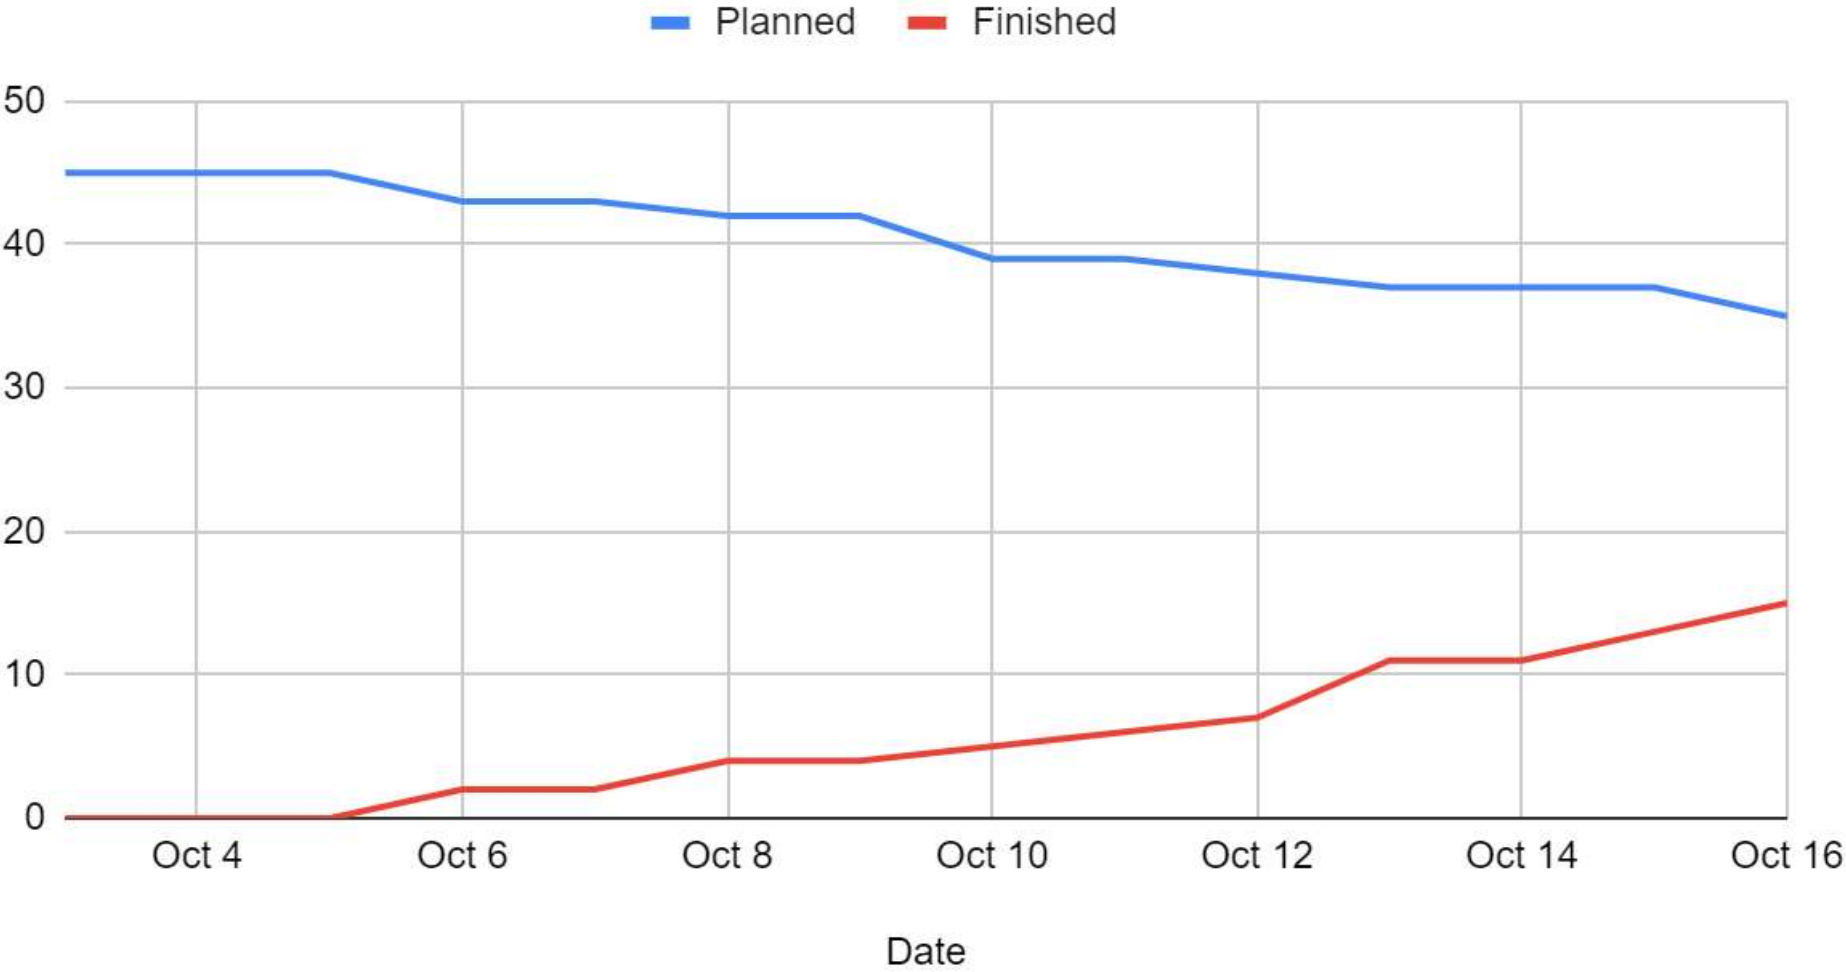

Scrum Master: \_Andrew Wilkinson\_\_\_\_\_

Date: \_10/12\_\_\_\_\_

Team Member	What did you do since the last scrum?	What do you plan to do before the next scrum?	What obstacles do you have?
Abbey Allen	Looked at pull requests and stayed on top of the discord	Look at the stuff I need to do. And work on the order detail screen/ stuff for the barista	Not on my main computer Difficulties not having all of my stuff.
Andrew Wilkinson	I worked on filling out the burndown chart, and finished the user creation balance addition. And started on the cart screen.	Finish the cart screen and my responsibilities as a scrum master	Dealing with all of the pull requests and rebasing
Kyle McMullin	Built the manage users UI and database.	Manage Inventory page. Set up the whole database for the inventory so you can add more and link to the orders.	Waiting for Pull request approvals.
Hamilton Hardy	Menu Item, Order item composables	Loader component, and assist with detail views	Issues with spacing and location for different components.

Burndown
