# Sprint Retrospective

- During your retrospective, spend at least 10 minutes talking over:
    - What went well
        - Made better meeting times.
        - Conversations directed toward furthering the project
        - Working on more issues
    - What didn't go well
        - Stuck on the same issues
    - What specific things you can do to improve
        - More meetings
    - List the measurement criteria
        - Work done
        - Responsibilities taken
        - Assistance to other issues
    - Assign a percentage to each team member based on your metric specified in this sprint's planning
        - Andrew Wilkinson - Scrum master
            - 25%
        - Abbey Allen
            - 20%
        - Kyle McMullin
            - 30%
        - Hamilton Hardy
            - 25%
    - Each person should have a percentage between 0-100%
    - The total percentage for the team should be 100%
    - Include the scrum master and all of the members of the group (marking those who are present).
